

RE:MIND

DIETARY SUPPLEMENT

Re:Mind is a balanced source of omega-3 essential fatty acids that promote heart health.

BENEFITS

- Balanced source of omega-3 essentially fatty acids that promote cardiovascular and totally body wellness
- Omega-3s may contribute to healthy cognitive function, mood, and behavior
- Supports the body's ability to make lean muscle and burn fat while exercising
- May help reduce food cravings
- May be beneficial to those that suffer from hypertension, depression, joint paint, and other rheumatoid problems

WHAT RE:MIND PROVIDES

Omega-3 fatty acids are 'essential' because they're necessary for proper growth and cardiovascular wellness, yet they can't be produced by the body itself—rather, they must be obtained through dietary sources. Re:Mind contains omega-3 essential fatty acids eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA) for optimal benefits. In addition to supporting heart health, omega 3s can have benefits for those suffering from hypertension, depression, joint pain, and other rheumatoid problems.

FEATURES

- Provides a source of omega-3 fatty acids that the body alone cannot produce
- All-nautral lemon flavor to prevent fishy aftertaste
- Contains Docosahexaenoic acid (DHA), which supports mental development + cardiovascular health
- Contains Eicosapentaenoic acid (EPA) that research has suggested may support heart health
- Eicosapentaenoic acid (EPA) is an omega-3 fatty acid found in the tissue of fish
- Omega-3s may contribute to healthy cognitive function, mood + behavior

GREAT FOR PEOPLE WHO

- Are concerned about cardiovascular health
- Don't eat the recommended weekly amounts of fish
- Struggle with joint or rheumatic issues
