Subject: Vollara Products

Dear Julia,

As Head Athletic Trainer for the Washington Nationals I am inundated daily with companies vying for attention and access to our athletes. Mike McGowan, Asst Athletic Trainer and I routinely research these products and discuss them with our team physicians. We scrutinize these offers and products closely and usually find them to be just another company trying to get attention in our market.

I wanted to thank you for your professional approach in providing us information regarding your products and your patience in allowing us to evaluate these products as part of our training regimen.

We currently offer NSF approved Vollara products, Re:Flex and Re:Fuel to our athletes. We are using the Vollara Living Water unit as part of our hydration strategy for our athletes and also utilize the Fresh Air Surround in our athletic training room to provide a clean, fresh atmosphere.

I will recommend your company to my peers and thank you for your accessibility and informational approach regarding your products.

Sincerely,

Lee [REDACTED], MA, ATC
